

Updates for Project at N. Washington and E. Broad Streets

March 2022

-  **Intermittent Lane Closures**
-  **Sidewalk Closed**
Look for signage on where to cross and walk safely
-  **Parking Entrance Closed**
Enter parking lot behind 130 N. Washington via Park Place.
-  **Public Parking Lot behind 130 N. Washington**
Open, access from N. Washington St./Park Pl.
-  **Public Parking in the Kaiser Permanente Garage**
 - Top two levels
 - Weeknights after 5pm
 - Weekends

The private development project at N. Washington Street and E. Broad Street will start demolition soon, and with that will come changes:

Parking Lot Behind 130 N. Washington Street (Clare & Don's and Thompson Italian)

In this first phase, the parking lot behind 130 N. Washington St. remains open, but the E. Broad St. entrance will close. The only entrance to the parking lot will be off of N. Washington St. via Park Pl.

There is currently no left turn into Park Pl., so drivers from the north either need to find a safe way to turn around and approach from the south, or park elsewhere.

The top two levels of the Kaiser Permanente garage (about 140 Park Ave.) are open to the public on the weekends and after 5 p.m. on weeknights. This is an easy option for drivers from the north; turn right onto Park Ave. then right into the garage.

Lane and Sidewalk Closures

Watch for intermittent lane closures in front of the project.
The sidewalk along a portion of Lawton St. will also be closed.
